

SMART POLE 8072 SERIES

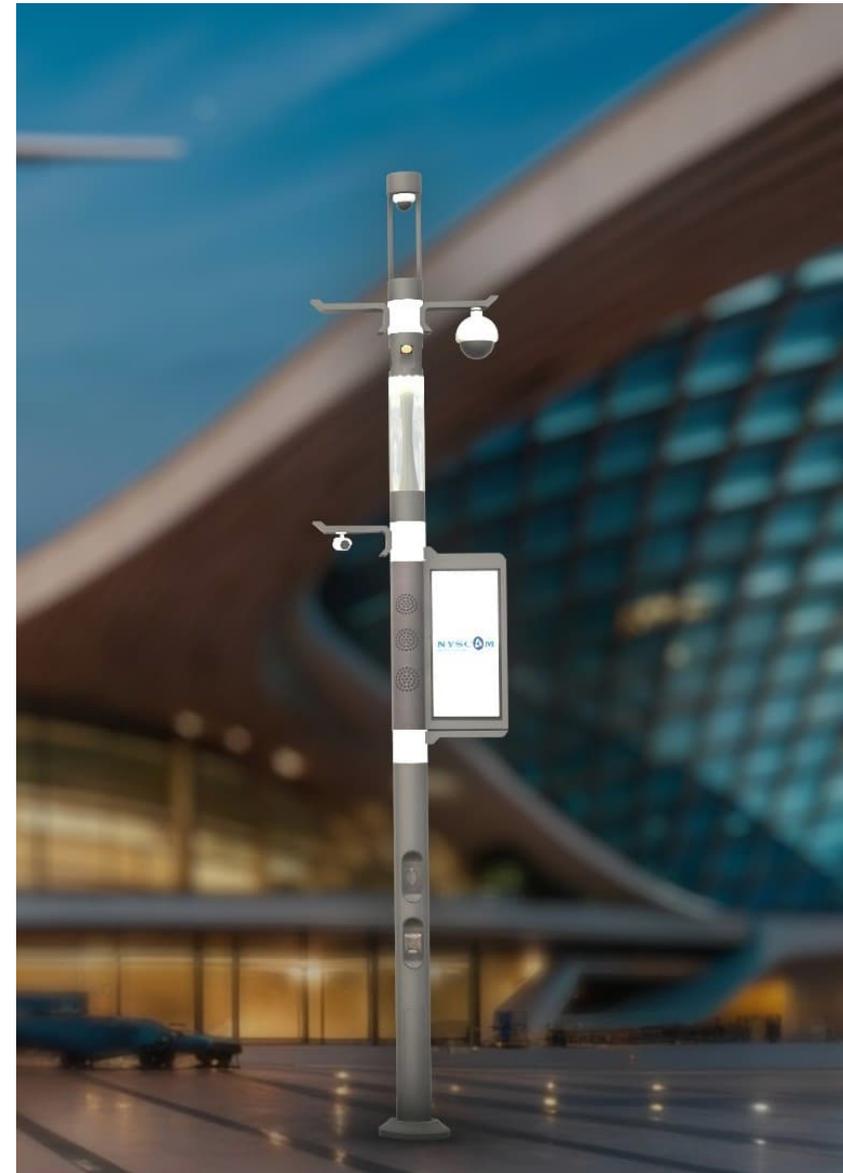

SMART POLE 8072 SERIES

Our Integrated aesthetically pleasing **Smart Poles** provide a single, unified platform for multiple services such as Security, Safety & Monitoring, Lighting, Communication, Public Information, Advertising & Announcements, Infrastructure Charging etc.

Smart poles are integral to Modern Smart Cities, Commercial Spaces, Airports, Stadiums, Tech Parks, Hotels & Resorts, Sports Facilities where a single pole can perform multiple functions, reducing the need of separate poles for each service.

The modular design of smart pole makes it highly scalable to upgrade or modify based on specific requirements of the project and, this pole can accommodate devices from most of the prominent brands across the globe.
